PROFESSIONAL EXPERIENCE

Dec 2024 - Present

Full-Stack Developer, Vital Aims Tech Solutions - Lahore

Build and maintain full-stack web applications using React.js, Next.js, Node.js, Express.js, TypeScript, and MongoDB. Develop responsive components, authentication flows, API integrations, and database-driven functionality. Improve application performance, code quality, maintainability, and responsiveness across devices. Use Git-based workflows to collaborate on feature development, debugging, testing, and release support.

Sep 2025 - Apr 2026

Full-Stack Web & App Developer, LogiLinkLabs - Lahore

Developed full-stack web and application features across front-end, back-end, API, and database layers. Built responsive and reusable interfaces using React.js, Next.js, TypeScript, Tailwind CSS, and Bootstrap. Integrated REST APIs, authentication flows, and database-driven functionality for reliable data exchange. Resolved technical issues, improved code maintainability, and supported stable, production-ready releases.

Apr 2024 - Dec 2024

Web Developer, Olive Pro Dreams - Lahore

Built, customized, and maintained e-commerce websites using WordPress and Shopify. Customized themes, templates, plugins, and apps to support store functionality and responsive shopping experiences.

Configured product pages, navigation, integrations, and content while troubleshooting day-to-day website issues.

Jan 2023 - Dec 2023

Web Developer, PTech Hub LLC - Lahore

Developed responsive interfaces and reusable front-end components using JavaScript, React.js, HTML, and CSS. Translated project requirements into functional page layouts, reusable modules, and maintainable website features. Collaborated through Git-based workflows, resolved cross-browser issues, and supported reliable feature delivery.

PROJECTS

E-Commerce Solutions (Custom, Shopify & WordPress)
